2024

Ukraine

Women for peace

Project summary

The purpose of this project was to address and resolve the most urgent problems of the Ukrainian people with a focus on the most vulnerable groups, including children, women and girls.

Svitlana Slesarenok

Director Black Sea Women's Club Odessa

"The events organised with the EU fund became a powerful platform for getting to know new projects and organizations, finding effective partnership initiatives and contacts, and creating a cohesive community that is ready to work to support and restore Ukraine."

Achievements

For the women's initiatives for peace, a number of activities were organised. Such as the photo exhibitions "Divided by war – united by love," the anti-war protests "No war! – says the whole world." BSWC also participated in a number of events on the future of Ukraine as part of this initiative.

BSWC continued to help children from Ukraine to celebrate the XV International Basin Contest "Colours of the Dniester" and to participate in the contest

BSWC participated in a number of policy processes regarding sustainability and the environment.
