## PowerUp festival

2023  
2024

### Project summary

De Jonge Klimaatbeweging was able to organise the PowerUp festival at the Sering in Amsterdam Sloterdijk. This is a youth-centred climate festival aimed at informing, inspiring and enthusing youth for a sustainable future.

Niels Koppelaar

Treasurer of the Jonge Klimaatbeweging

*‘The festival is finished and it was a great success. I am very proud of how this day went so well without any big hazards, especially since we did it all with our volunteers. We are also very content with all the good feedback we received after the event.’*

### Achievements

The festival received around **200 visitors**.

Ecofeminist Chihiro Geuzenbroek was invited to speak in the panel on **ecofeminism**.

**A panel discussion** was held with 3 young activists from End Fossil Occupy, Greenpeace and Milieudefensie to share their perspectives on activism

**A deep democracy session** was held with 7 candidates for the European Parliament.
